USB-C Travel Dock

USB-C | USB-A | SD Card | HDMI

Simplify your mobile life

Your office is wherever your work takes you — that day. With a single cable connection, the USB-C Travel Dock puts five essential ports at your fingertips wherever you are: on-set, on location, at the studio, or lounging at a coffee shop. It transfers up to 100W of pass-through charging from your USB-C power adapter, ensuring you're powered up and ready to deliver a client presentation or download the day's last shots.

Whether it's time-lapse photography, live events, or urban exploring, the USB-C Travel Dock helps lighten your load of adapters and dongles while expanding your connectivity options. With minimal gear, you can find inspiration anywhere, download your SD card quickly, and keep capturing the moment.
