Golla Phone Pocket - Media: Smartphone

You have experienced so much together that you just cannot help getting emotionally attached to your phone. If you love your phone truly, protect it with the Golla Phone Pocket.

The Golla Phone Pocket has an ultra-slim design to protect your phone without adding bulk. It fits perfectly in your own pocket or into a small purse. Your phone is easily accessible with the elastic release lever. The special interior lining protects and cleans your screen. Slip your phone into a Phone Pocket that fits your style.
