

Xtand™ Vent

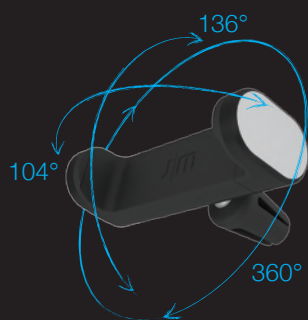

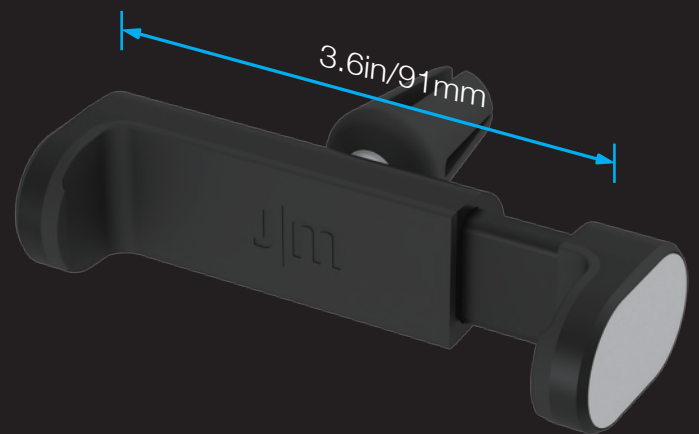

The ingenious smartphone car mount

• ST-128

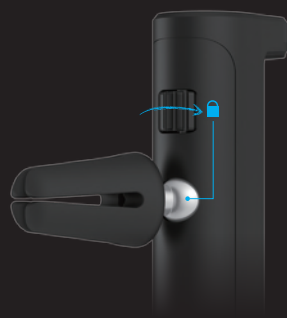

Just Mobile Xtand™ Vent is the ultra-versatile smartphone holder that easily clips onto your car's air vent, allowing you to keep your smartphone in sight at eye level for safe driving.

With a firm, rubberized grip, Xtand™ Vent will hold any smartphone as wide as 3.6in/91mm. Its innovative aluminum ball-joint swivel and tightener mechanism allow you to adjust your device for perfect placement – landscape, portrait or any viewing angle – without sagging. All this in a mini and featherweight package that fits in your pocket.

Tilt Swivel

Tightener

Features:

- Vent attachment fits almost any air vent
- Ball-joint swivel mechanism adjusts viewing angle
- Works with devices from 2.1in/54mm to 3.6in/91mm wide
- Rotates 360 degrees for portrait and landscape view
- Mini and featherlight, fits in your pocket
