

# Xtand Go™

The flexible in-car gadget mount

ST-169C

Just Mobile Xtand Go™ secures your smartphone on your windshield or dashboard while you drive.

With the innovative folding arm, the Xtand Go™ can rotate 360-degree and allows you to position your smartphone at exactly the right angle. Included glue-free Go Buttons can be used on smartphone with a case, iPod touch, sat-navs, smartphone and music players.

## Features:

- Hidden screw driver for adjusting tension of the hinges
- Flexible cradle for smartphone
- Unique German-designed adjustable extension arm for best viewing angle
