

TimeStand™

The iconic charging stand for Apple Watch

- ST-180BK : Black
- ST-180SI : Silver

TimeStand™ is the striking aluminum charging pedestal for Apple Watch. Precision machined from a single cylinder of high-grade aluminum, its distinctive circular cut-out gives it a dramatic profile even when empty.

Slip your Apple Watch magnetic charger into its rubber-lined recess and TimeStand becomes the most iconic charging stand available. And thanks to its perfectly weighted base and high-friction rubber underside, you can easily use your Watch while its charging, too – making TimeStand a triumph of form and function.

Features:

- Iconic design
- Precision machined aluminum
- Compatible with Apple Watch magnetic charger
- Cable hiding groove
