

HoverDock™

The minimalist charging dock for iPhone

ST-268

Refine your desktop with HoverDock™, the low-profile charging podium for Apple iPhone. With a sturdy holder for your Lightning cable, HoverDock™ keeps your iPhone upright and charged – even when you're using a case.

Encased in an exquisite unibody aluminum disc, HoverDock™ has a hollow soft-touch plastic body with smart cable storage - adding a slice of minimalist chic to any tabletop.

Features:

- Soft-touch plastic body and unibody aluminum disc
- Non-slip rubber feet
- Smart cable storage
- Compatible with Apple Lightning to USB Cable
- Case-Friendly

* Compatible with iPhone cases in line with Apple Spec (less than 4mm in thickness)

For naked iPhone

For iPhone in a case*
